

BILCO

A NEW GENERATION BAND FOR A NEW GENERATION

You want

- *A big sound*
- *A reasonable price*
- *A versatile band that will rock your party*

Bilco rocks the maximum energy out of a 5-piece band. We're a new generation of musicians who learned from the best. Here is how we do it..... **Bilco** snuck in to a Bill Pollack Orchestra rehearsal last year and carefully recorded gigabytes of their awesome music. You know, that big sound our big brother band makes and charges so much money for. Then, we transferred those breathtaking digital grooves to our laptop and i-Pod for backup. Now, when we jam, you can hear parts of Bill's orchestra playing along with us. **Bilco** sounds almost as big for less than half the price.

Bilco musicians learned their craft working under Bill Pollack; however, we bring our own brand of fun to your party! **Bilco** specializes in contemporary music including hip-hop, rap, pop, dance, techno and alternative. But because we trained under the watchful eye of the master himself, we abide by the same 10 Commandments that made Bill and his band so likeable.

Bilco shall not play too loud
Bilco shall not hit on the bride
Bilco shall go easy on the drink
Bilco shall generate good karma
Bilco shall play the requested music
Bilco shall not come to the party hungry
Bilco shall set the band equipment up early
Bilco shall not demand food from the caterers
Bilco shall fill the dance floor with happy dancers
Bilco shall store all their cases in a far-a-way galaxy

Bilco starts with rich, creamy and buttery dinner music; you know those soft songs you hear and think, "I love this song, who did it?" When it's time to party, we play the best dance music from the 80's and 90's through today. But **Bilco** never forgets about the entire audience. We play Frank Sinatra, Motown and plenty of classics that keep all our guests and our check-writers happy!

Bilco: starts at around \$4,000.00 and reports directly to the man himself.
